

James Slaton to Discuss Firearms and Other Premises Liability Concerns in a Turbulent Time

02.13.2019

James Slaton will participate in the "Lawyers, Guns and Money - Firearms and Other Premises Liability Concerns in a Turbulent Time," eCLE webinar hosted by the American College of Real Estate Lawyers and American Bar Association Section of Real Property, Trust & Estate Law on February 13, 2019. The webinar will cover:

- Whether insurance covers a "peaceful protest" gone wild, or when a customer brings a gun into your business;
- Why prohibiting guns may sound good, but also may create more problems than it states; and
- How to evaluate the risks of security lapses and other modern threats beyond the standard "trip and fall."

Additional information about the webinar can be found [here](#).
