

Paul Masinter and Bryant York Author Article on Social Media and Its Impact on the Practice of Litigation

03.17.2016

Paul Masinter and Bryant York authored the article "Game of Twitter – Social Media and Its Impact on the Practice of Litigation" in the March 2016 issue of *Business Law Today*, the monthly newsletter of the American Bar Association Business Law Section. The article explores the model rules that govern the use of social media by attorneys as well as certain recent judicial decisions in which courts have applied these rules to a lawyer's conduct. A copy of the article can be found [here](#).
