

Scott Whittaker Quoted in Article about the Collision Conference

04.29.2017

Scott Whittaker is quoted the article "In New Orleans' coming-of-age tech moment, business startups and big money set to 'collide' at conference" published by *The New Orleans Advocate* on April 30, 2017. The article examines the Collision Conference, which is the fastest growing tech conference in North America. The conference relocated to New Orleans in 2016 and is expected to attract more than 15,000 attendees.
