

## **Tina Campbell Hebert Interviewed by Legal Talk Network about Climate Resilience and Legal Adaptation**

08.03.2018

Tina Campbell Hebert and other participants of the "Climate Resilience and Adaptation: Policy Options from Retreat to Infrastructure Reinvestment" panel presentation, which was given at the 2018 American Bar Association Annual Conference, were interviewed by the Legal Talk Network on August 3. The panelists discussed how courts are playing an important role in framing adaptation and mitigation policy, how communities are adapting to changes in their environment and whether laws are keeping up with the changes. The entire interview is available [here](#).
