

Peter Thomson Authors Article on the Fifth Amendment's Act of Production Doctrine

01.01.2019

Peter Thomson authored the article "The Fifth Amendment's Act of Production Doctrine: An Overlooked Shield Against Grand Jury Subpoenas Duces Tecum" published in *The Federalist Society Review*, Volume 20. The article examines the act of production doctrine, which can be invoked under limited circumstances by individuals who wish to refuse to produce subpoenaed documents under the Fifth Amendment's privilege against self-incrimination. A copy of the article is below.
