

Dealing with Distress: M&A Strategies for Financially Troubled Companies Webinar

06.19.2020

On June 23, Scott Whittaker and David Rieveschl from Stone Pigman and Gay Le Breton and Taylor Gilbert from Chaffe & Associates were panelists for the Dealing with Distress: M&A Strategies for Financially Troubled Companies webinar. The panel of experienced investment bankers and corporate/M&A attorneys discussed and answered questions regarding the special issues that arise in a purchase, sale or equity financing involving a company that is experiencing financial difficulties, and how to successfully navigate those issues to complete a transaction on the best possible terms.

The presentation from the one-hour informational webinar is below and the video recording can be found [here](#).
