

Heather Lonian Interviewed by *Biz New Orleans* about Promoting Inclusive, Anti-Racist Workplaces

06.22.2020

As the national discussion about the Black Lives Matter movement continues, businesses and organizations nationwide are examining their policies to determine how to provide a more inclusive, anti-racist environment for employees, clients and customers. Stone Pigman attorney Heather Lonian, chair of the firm's Diversity and Inclusion Committee, talked to *Biz New Orleans* about her work and what other organizations can do to further these goals. The article can be viewed [here](#).
